Hi Paul,

Here are the comments you had on the first version of this letter you reviewed back in Dec 2019, so you can refresh your memory. I tried to address your comments in the Cheyenne River Sioux letter that is routing now.

Thanks!

Hello All,

I have attached a letter for your review in Jan 2020 to send to the OST and CRST providing a deadline to schedule consultation meetings. Given the lack of response from these two Tribes, who have specifically requested consultation meetings, we believe it is time to provide a deadline for scheduling the meeting.

Please review the attached letter and provide comments by Jan 15. I would like to mail the letters by Jan 25 to provide the Tribes 2 months to schedule a meeting with us.

Just a heads-up, the Standing Rock Sioux Tribe requested that I contact them to schedule a consultation meeting. I will start working on that in January.

We plan to send similar letters to the rest of the tribes on the list to let them know we have a deadline for scheduling consultation meetings, but wanted to get a head start on contacting these two tribes.

Thanks for your review.

Valois
